### Declaration for Membership of the Pagan Federation (Scotland)

I am 16 years of age or over and consider myself to be a Pagan. I accept the Three Principles of the *Pagan Federation (Scotland)* :

- (1) Love for and Kinship with Nature. Reverence for the life force and its ever-renewing cycles of life and death.
- (2) A Positive Morality, in which the individual is responsible for the discovery and development of their true nature in harmony with the outer world and community. This is often expressed as "Do what you will, as long as it harms none."
- (3) Recognition of the Divine, which transcends gender, acknowledging both the female and male aspect of Deity.

I agree to my details being held on a computer database and understand that they will only be passed between authorised officers of the *Pagan Federation* and not disclosed without my permission.
